

POCKET SIZED AND PACKS A PUNCH

A perfect companion. Anytime, anywhere. Sip or Mix™

CQ is California's original cannabis drink.

What a trip. In 2008 we started as Venice Cookie Company in Venice Beach, selling edibles and soon after, the original THC drink called Cannabis Quencher. Today, CQ is on shelves across the country.

Travel sized bottle. The cap holds 1½ mg THC. Looking to microdose? Add just a capful to the drink of your choice.

Contains <0.3% hemp-derived THC. Must be 21+ to purchase. These products do not claim to diagnose, treat, cure, or prevent any disease, and have not been evaluated or approved by the FDA.
